For Immediate Release

NOMINEES FOR HYPERLINK MEDIA AWARDS 2018

The Board and the Research Committee after scrutinizing 1883 submitted nominations across the country approved and released the finalists of the various categories on Saturday, September 22, 2018.

We wish to state that finalists were selected on merit after several rounds of scrutiny and confirmation of contributions in their respective fields per the information available to us.

We wish to congratulate all deserving nominees. The nominees are by this notice requested to submit a professional photograph of their choice with a plain background for processing of their flyers. No other flyer is allowed. Below are the various categories and their nominees:
